SouthVenture Student Entrepreneurship Speaker Series

Panelists from Alberta Women Entrepreneurs, Alberta Innovates Technology Futures and the University of Lethbridge will be in attendance to discuss a variety of entrepreneurial topics.

Community Futures Lethbridge Region is a proud partner of SouthVenture. This event is open to all student entrepreneurs from Southern Alberta.

This event is being held at the University of Lethbridge in Markin Hall, room M1060. It takes place on Tuesday, November 25 from 4:30 PM - 6:00 PM.

CFLR Board Member Opening

Community Futures Lethbridge Region (CFLR) is accepting applications for a volunteer Board Member from the Lethbridge Region to sit on our Board of Directors.

The CFLR is a non-profit, community based organization guided by a volunteer Board of Directors. We provide a wide range of small business services and business management tools for people wanting to start, expand or sell a business. We also run a number of specialized business programs and actively work with community and business leaders to foster rural economic growth.

Alberta Economic Dashboard

The Alberta government is giving the province's businesses a new online tool to help them compete and succeed in Alberta's growing economy.

This new streamlined website provides small businesses a one-stop shop for small business information. This is a great resource when looking for information on a number of various economic indicators for the province of Alberta, along with the ability to look at specific industries.

The Dashboard accessible at <http://economicdashboard.albertacanada.com/> is an example of the Alberta government's commitment to provide investors, businesses and Albertans with the best economic data in the most easily accessible format.

If you have any questions regarding Community Futures or our services, please do not hesitate to contact Morley Belle or Geoff Rougeau.

Sincerely,
Community Futures Lethbridge Region
