Smart Cities: All you need to know

Lethbridge is set to grow in population - so is the rest of Southern Alberta. Can we be smart about it? Guest blogger Ryan Carriere, Parks Planning Manager of the City of Lethbridge - Infrastructure Services ponders the question, and the OWC offers some insight as well. Alberta is projected to add close to 1.8 million residents over the next 25 years, reaching 6 million by 2041. Now, more than ever before, we must bring watershed vocabulary into our thoughts and actions.

TABER IRRIGATION DISTRICT - #SAWC17

October 23, 2017

Big backhoes out in the countryside? Can only mean bad news for the watershed, right? The Southern Alberta Water Charter (#SAWC17) showcases works great and small - some of them as big as a backhoe. Sometimes big projects require big machines. Taber Irrigation doesn't have just one but three big projects lined up as their contribution to the Southern Alberta Water Charter! Find out what's going on ...
