### MUNICIPAL CENSUS *Census Day – May 21, 2013*

Once again, the Town of Coalhurst will be conducting a Municipal Census. Due to the growth of the Town, it is necessary to keep up with the fast number change in population for the continued viability of the Town.

Commencing May 21, 2013 Census Workers, hired by the Town of Coalhurst, will be knocking on all the doors in Town asking for information related to the number of people residing in each residence. Prior to starting their work, the Census Workers will take an Oath of Confidentiality and all information collected will be kept confidential and used only for the production of aggregated statistics. All responses will remain anonymous – names will not be associated with the questionnaire responses. Protection of privacy is guaranteed under the Freedom of Information and Protection of Privacy Act. All Census Workers will be wearing official identification.

The job of the Census Worker is very important. Your full cooperation and courtesy would be most appreciated. The information requested is essential for completing a successful census.

No personal information will be collected as this is a numbers count only. You will only be asked **one question** - “What is the number of **usual residents** contained in this dwelling on May 21, 2013?”

“The population counts for a community include all Canadian citizens, landed immigrants, and non-permanent residents whose usual place of residence is in that community, regardless of where they happen to be on Census Day. The counts also include all Canadian citizens, landed immigrants and non-permanent residents who are staying in the community (at the time of the census) and have no usual place of residence elsewhere in Canada.”

#### Usual Residents:

- all persons who usually live in the dwelling, even if they are temporarily away (such as on a business trip or at school), such as college/university students who have not established a permanent residence;
- any persons staying or visiting the dwelling who have no other usual home;
- unmarried persons who have a home elsewhere but stay in this dwelling most of the week while working;
- hotel residents and employees who have no permanent home elsewhere;
- any persons who usually live in the dwelling but are now in an institution (such as a hospital or correctional institution), if they have been there for less than six months (when enumerating an institution the reverse applies - these persons are not included);
- persons in the Armed Forces even if away on tour/rotation;
- infants born before or on the census date;
- deceased persons who were alive on the census date; and
- **Students** are included as usual residents at their permanent home (i.e. parents’ home) if they have not established a permanent home elsewhere.

The information collected in a census allows the Town to increase the amount of grant funds available from the province and helps the Town, and related agencies and organizations, plan for the future. The census is being conducted under the authority of the Municipal Government Act.

The Municipal Census taken by the Town in 2012 concluded with a population of 2269. The Census for this year is expected to be completed by June 30, 2013.

For more information please contact the Town of Coalhurst Office at 381-3033.

***Please see the advertisement for Census Workers in the classified section of this issue of the Town News.***

## BYLAW ENFORCEMENT

I would like to remind residents about the Town of Coalhurst's "Traffic By-Law" sections that provide rules and regulations for Heavy Vehicles within the Town of Coalhurst's boundaries.

**PART 7 – HEAVY VEHICLES** states the following:

Section 701 states that "For the purpose of Section 702, a "heavy vehicle" means a motor vehicle alone or together with any trailer, semi-trailer, or other vehicle being towed by the motor vehicle with a registrations gross vehicle weight of 4 tonnes or more or exceeding 6 meters in total length. Notwithstanding the above, a public passenger vehicle shall be deemed to be excluded from the definition of a "heavy vehicle" for the purpose of Section 702 while transporting passengers.

**A Note from the Principal:**

In the coming months the administration and teachers will be tentatively placing our ECS and grade 1&3 students in their classes for the 2013-2014 school year. We hope that you would trust the teachers' judgement in this matter. They take in to consideration such things as learning styles, personality types, friends, needs and mix of boys and girls. If you have a valid education reason to request a certain teacher for your child you must **submit your request in writing to the office by June 1, 2013.** Requests will be considered, but not guaranteed. However late requests will not be honored.

Student agendas for the 2013-2014 school year have been ordered. At this time we want to make parents aware that the agendas will not be given to your child(ren) until school fees have been paid. The fees for next year will remain the same as previous years \$35.00 per student in grades 1-6. We want to encourage parents to budget for this amount for September 2013.

**Music News:**

-Congrats go out to all the students who participated in the Kiwanis Music Festival - all your hard work paid off! A big thanks to Mrs. Higginson for all her dedicated work with those students -Congrats to all those grade 4-5 recorder players who earned a pizza party with Mrs. Berberich. They practiced a minimum of 100 minutes during the recorder unit. Nice work!

-Looking forward to Coalhurst's Spring Centennial Concert Celebration - mark your calendars. Thursday, April 25th – Afternoon performance 1pm and Evening performance 7pm. Handbell & handchime prelude music will begin 20 minutes prior to the hour.

-Each grade grouping has been assigned a specific decade (or two) between 1913-2013. Please watch for details from classroom teachers for instructions on student attire for that day. As usual, choir and handbell students will start the concert, and will be asked to wear their CES music t-shirt along with dark bottoms. They will have time to change into their themed classroom costumes, right after the choir performs.

Because past evening concerts have been so crowded, we are going to try something new this time around, to see if we might be able to make people more comfortable (and stick to fire code for capacity). **We will be issuing a limited number of tickets to each family for the evening performance. If you are not able to use them all, we are asking that you return them to the school, where we can redistribute them to families who might need them.**

As usual, the afternoon performance will be open to everyone - no tickets required. Your feedback about this process would be appreciated after the concert is over.

-If your student decides to quit choir, we are asking for a note from home, indicating that you are aware of their intentions. We just want to ensure that parents have talked to their kids about their decision. Thanks!

-Anyone who ordered t-shirts last month, I am hoping to get them, and have them distributed to the kids before Spring Break.
