UTILITIES AUTO PAYMENT PLAN

The Town of Coalhurst is excited to introduce Auto Payments for Utility Bills. This service allows residents to have their utility bill payments automatically withdrawn from their bank account on the 15th of each month. This means less bills to worry about paying on time, which means less penalties!

This is a completely optional service to only those who wish to sign up. It will begin on November 15, 2016. In order to sign up for the service, please follow the three easy steps below:

1. **Pick up and fill out a "Utilities Auto Payment Form" at the Town Office or download one at www.coalhurst.ca/services/utilities-services.**

2. **Drop off the completed form with a void cheque or Bank Pre-Authorized Debit sheet at the Town Office, or scan and email it to cmccann@coalhurst.ca. Emailed photographs will not be accepted.**

3. **New sign up forms need to be handed in at least 30 days prior to the next withdrawal date. The first Automatic Payments will begin on November 15, 2016 and subsequent payments will be taken out on the 15th of each month.**

Please contact Cathi McCann or Kyle Bullock at the Town Office if you have any questions regarding the service. We hope that this option will make it more convenient for residents to make payments faster and on time.

Thanks,

Kyle Bullock, CPA, CMA
Director of Corporate Services

BYLAW ENFORCEMENT

With hunting season upon us residents are reminded of the Town of Coalhurst Weapon Control Bylaw #291-02.

    i. A discharge made by a Peace Officer or a Fish and Wildlife Officer during the course of their duties.
    ii. A discharge made by a Town employee during the course of their duties.

Section 4 – Seizure states that "any Peace Officer may seize any weapon believed to have been used in contravention of the provisions of this Bylaw and will either return the same at a time deemed advisable to the Peace Officer or refer it to the Court of Competent jurisdiction to resolve its disposition."

This year's Fire Prevention Week campaign, "Don't Wait – Check the Date! Replace Smoke Alarms Every 10 Years," represents the final year of our three-year effort to educate the public about basic but essential elements of smoke alarm safety.

Why focus on smoke alarms three years in a row? Because NFPA's survey data shows that the public has many misconceptions about smoke alarms, which may put them at increased risk in the event of a home fire. For example, only a small percentage of people know how old their smoke alarms are, or how often they need to be replaced.

As a result of those and related findings, we're addressing smoke alarm replacement this year with a focus on these key messages:

- Smoke alarms should be replaced every 10 years.
- Make sure you know how old all the smoke alarms are in your home.
- To find out how old a smoke alarm is, look at the date of manufacture on the back of the alarm; the alarm should be replaced 10 years from that date.

We Honour Our

Firefighters

Thank you to all our volunteer firefighters for their dedicated and exemplary service to our community
