

# **The Royal Canadian LEGION needs YOU**

## **THE BRANCH**

Coalhurst 273 Branch is the centre of Legion Activities in this community, where members gather to enjoy comradeship through social events and special activities. Open Monday through Friday at 4:00 p.m., and on Saturdays at 3:00 p.m., we offer special services to members and the community. In-house sports such as cribbage, darts, 8-ball pool and shuffleboard are available to our members. Some that also provide the chance to compete at the national level. Branch members participate in fundraising events, both for local charities and the Branch itself. The development of other local and national programs are all a part of what happens here. Our members may also participate in our many meat draws, and in chasing the Queen.
