Reminder to Sign-up for CodeRED

In response to the recent fires, the Town would like to remind residents to sign up for the CodeRED Emergency Alert system. This will be used by the Town to contact residents by phone, email, or text during emergency situations.

The Town has had this system available for almost 2 years and currently have approximately 572 phone numbers and 174 email addresses. For this to be most effective, we would like at least one member from every household to sign up. Hopefully it will not need to be used very often, but when it is, the more people registered, the more effective it will be.

The process is very quick. A link to CodeRED is up at www.coalhurst.ca where residents can click to input their contact information and select their preferred methods of contact. This only needs to be done once and you will be in the system to be notified for any future emergencies or alerts.

CODERED Alerts

Sign up to receive alerts about emergencies in and around Coalhurst

If residents do not have computer access, they can fill out the form below and drop it off at the Town Office, or call the Town Office (403-381-3033) with your information and we will register you.

If you run into any problems with registering, please contact Kyle Bullock at the Town Office.

COMMUNITY NOTIFICATION ENROLLMENT FORM

Name/Business: _____

Civic Address to Be Monitored: _____ ***No P.O. Boxes***

This address is: **RESIDENTIAL** / **BUSINESS** (circle one) Email Address: _____

Phone #1: (_____) _____

Send Text Messages? **Y / N**
Mobile Provider _____

TDD/TTY Device? **Y / N**
(if hearing impaired)

Phone #2: (_____) _____

Send Text Messages? **Y / N**
Mobile Provider _____

TDD/TTY Device? **Y / N**
(if hearing impaired)

By adding my phone number, I agree to receive telephone calls that deliver messages from my local municipality that are pre-recorded and sent by Emergency Communications Network. I authorize the Town of Coalhurst to input this information into the Community Notification Enrollment form online to sign up for the CodeRED Emergency Alerts.
