We recommend all units carrying people be equipped with adequate restraining devices that can reasonably be considered capable of stopping anyone from falling from the unit.

Candy and marketing materials (not paper) may be distributed from your float – Please consider having someone walk beside your float to distribute candy, so children maintain a safe distance from the floats. If distributing flyers – these must be given by hand to individuals along the parade route to avoid any littering on the streets of Coalhurst.

Above all, be kind and have fun!
