VOLUNTEER SPOTLIGHT!

Lawrence Watmough, Age 80

Lawrence Watmough is a resident in Coalhurst who started volunteering to build playgrounds in Coalhurst over 30 years ago. He has assisted with the building of each playground in Coalhurst since then - apart from the Miner's Park playground due to health concerns. His most recent expenditure was Kran Park located on McDermot Road. Lawrence also sits on the Miner's Days committee and was the 2017 Honorary Parade Marshall. Lawrence stated he volunteers because it's a gift he can give to his community and he hopes it encourages more people to get out there and give more of their time as well.

Way to go Lawrence!

Thank you for your commitment to Coalhurst!!
