## VOLUNTEER SPOTLIGHT!

### **The Coalhurst Volunteer Fire Department (CVFD)**

The CVFD does so much to support the Town of Coalhurst! Aside from risking their lives and leaving their families to volunteer to be front line workers in emergency situations, they also support many community initiatives and events.

The Fire Department does the much-loved slip n slide for both Canada Day and Miner's Days. The fire trucks are always in the annual Miner's Days Parade and are a huge crowd favourite. The Fire Trucks also patrol the streets of Coalhurst on Halloween. The CVFD does demonstrations for the schools during fire prevention week, participates in local Remembrance Day Ceremonies and hosts their own events; such as meet and greet with Santa at the Fire Station. They do this and MUCH more for this Community!

When its cold enough in the winter months, The CVFD also floods and maintains the outdoor rink at Miner's Park.

These women and men generously give of their time! We are so grateful to live in a community where people take pride in being a part of something bigger!

Thank- You for your service!

Very special thanks for keeping us on ice this winter!

@TownOfCoalhurst
