Oldman Watershed Council

January 2019

JANUARY EDITION

**Vote Now to Help the OWC
Phillips Benefit Brew**

Oldman Watershed Council is a finalist in this year's Phillips Benefit Brew. If we win the benefit brew not only does Phillips create a beer custom-named and designed for the OWC, we also receive the proceeds (around \$10,000)!

Every vote counts, so please consider voting today, and everyday, on all your devices until noon on February 1st.

'Make It Rain' At Your School! **Caring for Our Watersheds**

The [Caring for our Watersheds](#) contest assists grade 7-12 students in learning about their local watershed and innovatively answering the question: *What can you do to improve your watershed?* Schools can receive money simply for participating (\$100 for every 10 submissions), while students can win up to \$1000, with matching cash awards for their school. All students are encouraged to [carry out their project](#), as implementation funding will be available for students regardless of their final ranking.

Grazing Schools for Women **Deliver More Than Technology**

While grazing schools have played a major role in improving the understanding and management of sustainable grazing and range health for over 20 years, the new women-only schools do more, offering a unique networking and collaborative learning environment specifically designed for ranching women.
