JOBS, BREWS, AND ROOMS SPECIAL EDITION

JOBS

The OWC currently has two exciting jobs posted

Join the team! We currently have two great job opportunities available for outgoing individuals looking to get involved in the work we do. We are looking for two Seasonal Outreach Assistants, as well as a Restoration Specialist.

Applications will be accepted until February 4, 2019 for the Restoration Specialist Position. This role is perfect for someone who has experience in implementing restoration strategies, the ability to use GIS tools, and is a motivated, self-starter.

Applications will be accepted until February 8, 2019 for the Seasonal Outreach Assistant positions, a role great for post-secondary students looking for summer work supporting restoration, education, and outreach projects.

Every vote counts!

Oldman Watershed Council is a finalist in this year's Phillips Brewery Benefit Brew Green Edition. If we win the competition, not only does Phillips create a beer custom-named and designed for the OWC, we also receive a \$10,000 donation to help further our cause.

Every vote counts! Please consider voting today, and every day, on all your devices until noon on February 1st. It takes about five seconds and does not require registration.
