

RACHAEL HARDER

LETHBRIDGE ALBERTA MP

Dear Friend :

The [application](#) process for my 2019 Youth Advisory Board is now open!

Eight youth from the Lethbridge riding will be selected to meet with me once a month on a Saturday morning from 10:00am-12:00pm. The Youth Advisory Board will run from April 2019 to March 2020, with a break over the summer.

During this time, members will have the opportunity to share their perspective and ask questions about federal legislation and key events. The issues and topics put forward for discussion will be determined by the youth at the table.

I am looking for young people between the ages of 16 and 24 who are passionate about serving in their community and interested in learning more about the impact that federal political decisions have on our constituency.

If this is you, please apply! If this is someone you know, please encourage them to [apply](#).

This opportunity is non-partisan and all youth who are passionate about the betterment of their community and interested in the federal political process are encouraged to [submit an application](#).

Those who successfully complete this year-long initiative will receive a letter of commendation. Students are also encouraged to seek school credit for their participation in the program.

To be considered for this unique opportunity, please complete the [online application](#) by 11:59pm on Saturday, March 9th.

Sincerely,

Rachael Harder
Member of Parliament
