

# Town of Coalhurst Strategic Plan 2019 – 2022 At a Glance

## Vision

Coalhurst is a unique and sustainable community where all people feel at home and can interact in a connected and safe environment.

## Mission

To provide good governance and set policy to enhance the safety and sustainability of the community through suitable municipal services and facilities in a fiscally responsible manner.

## Values

**Forward-thinking:** We will plan and prepare for today and tomorrow.

**Accountability and Transparency:** We commit to ongoing, intentional two-way communication with the community.

**Sustainability:** Services and infrastructure will meet our current and long-term needs.

**Financially Responsible:** We will live within our means and continually seek new sources of revenue.

**Collaboration:** We will work cooperatively with internal and external stakeholders.

**Ethical:** We commit to make ethical, equitable and socially responsible decisions in the best interest of ALL residents of Coalhurst.

**Environmentally Responsible:** Environmental considerations will help inform our decisions.

## Strategic Priorities: 2019 - 2022

**Work with strategic partners to provide senior and community housing**

**Provision of public transportation to/from Lethbridge**

**Business and community hub located centrally to the town**

**Encourage technology development in town for non-government service**

**Meeting future needs for water, storm and sanitary sewer**

**Explore feasibility of shared industrial park with County of Lethbridge**

**Maintain adequate Council and staffing to address community growth and needs**

**Develop a comprehensive recreation masterplan and begin implementation**
