Join us for the first 2019 Prairie Urban Gardening Workshop!

Early bird pricing available until March 8

Hosted by Steven McRae of Prairie Xeriscape Designs, the 2019 PUG workshop will feature a combination of lecture, discussion and hands-on skills while incorporating the 7

principles of xeriscape into your design. You will learn how to assess soils and the best plants to use in different areas of your yard, based on the aspect, slope, drainage, and full sunlight hours they would receive. The workshop will equip participants with the skills they need to create their own sustainable garden design with the guidance of a well-loved local expert.

This personalized, hands-on event is limited to 15 participants, with early bird pricing available until March 8. Spaces in the workshop are offered on a first come, first serve basis. Lunch and refreshments will be provided throughout the day.

Tickets available from Eventbrite: [OWC PUG Workshop 2019](#)

Early bird price: \$125 (until March 8)  
Regular price: \$150

## **Supporter Survey**

### **Survey closes tomorrow, February 19**

We want to know what you think! Please consider taking our 2019 OWC Supporter Survey – it has ten questions, takes approximately two minutes to complete, and helps

us incorporate your feedback into what we do at the OWC.  
Those who complete the survey will be entered to win an  
OWC swag pack!
