### **We Won!**

#### **Phillips Benefit Brew**

As you may know, the OWC was involved in Phillips Brewing Company's Benefit Brew competition. Five environmental non-profit charities competed head-to-head to win their very own signature brew, as well as the proceeds from the sale of the product (est. \$10,000). We are very happy to announce that the OWC came out on top in the competition!

Thanks to everyone who supported us with their votes and post sharing throughout the competition – we could not have done it without you! We will share more information about this partnership as the project develops.
