PUBLIC NOTICE

TOWN OF COALHURST COVID-19 UPDATES

In line with the advice and recommendations from both Alberta Health Services (AHS) and Alberta Emergency Management Agency (AEMA) the Town of Coalhurst is recommending the **suspension of garage sales** for the summer for the following reasons:

- Difficult to maintain social distancing,
- Potential of more than 15 individuals (mass gathering),
- Commonly touched surfaces,
- Impossible to sanitize the items being touched and not purchased,
- Washing & bathroom facilities not available,
- Unnecessary contact with persons unknown to the owners of the house,
- Overall bad idea to have strangers touching your items and potentially spreading this virus.

Also, please be advised that the **Miners Memorial Park Campground** and the **recreational vehicle sewer dump** will remain **closed** until further notice.

Further **cancellations** for the summer include the **Canada Day** celebrations.
