

## **STRONGER PUBLIC HEALTH MEASURES**

Alberta declared a state of public health emergency. Stronger mandatory measures are in effect as of Dec. 8 to help reduce case numbers and protect the health system. Residents are encouraged to visit <http://www.alberta.ca/COVID19> for all the new measures and updates. Mandatory province wide restrictions are in effect to protect the health system and slow the spread of COVID-19. Masks are mandatory in all indoor public spaces and workplaces. Again, check <http://www.alberta.ca/COVID19> for all current information.
