

Hello,

You are receiving this because you have been identified as a key community stakeholder in the Highway 3 Twinning Development Association (H3TDA)'s mission to collaboratively and actively support the completion of twinning highway 3, from the BC border to Medicine Hat, as an integral part of the evolving multi modal provincial transportation system. More information on H3TDA can be found here:

<https://www.twin3.ca>

Collaborative Strategies Consulting Inc. is working alongside H3TDA to identify and develop the organization's future strategic direction and focus, and are looking for feedback from residents of Southern Alberta who are either members of H3TDA or may utilize and/or support the twinning of Highway 3. We are hoping that you and your community will consider providing your valuable feedback, as it will help inform H3TDA's future work and lobbying efforts.

Below you will find a survey link that aims to gauge whether you and your community are satisfied with the current services, priorities, and advocacy provided by H3TDA, or whether you have ideas on how to improve the existing lobbying efforts. The survey is completely voluntary, however we hope that you will consider circulating to citizens within your community.

The survey can be accessed through the following link:

<https://www.surveymonkey.com/r/WFC3PH9>

Please do not hesitate to reach out if you have any questions.

We appreciate your time.

All the best,

Amanda Pelletier, MSc, BA
Business & Research Strategist
