Veterans who need assistance can send an email attention Service Officer at legionbm273@gmail.com

Through your donation to the Legion Poppy Fund, the Legion provides financial assistance and support to Veterans, including the Canadian Armed Forces and their families who are in need. Donations accepted at any time.

The Coalhurst Legion Branch No 273 is pleased to announce that we will be introducing the Banner Project to Coalhurst. Many of you may be familiar with these banners that are hung to honour and commemorate our veterans, past and present. The project is a series of banners that are displayed in the town for a few weeks in the fall then stored for future display. The Town of Coalhurst has graciously agreed to hang the banners on the light standards within the town. The banners have a photo and information about the veteran and can be purchased by anyone wishing to do so. More information will be forthcoming in a future newsletter but if you are interested, please call, and leave a message at 403-381-3080, or send an email to legionbm273@gmail.com. You can also find out more about the Banner Project for Veterans by going online. We are still working on a supplier and what the cost will be to purchase the banners, and hope to have that information in the next newsletter.

The Month of JUNE

Did you know?

- Juno is the ancient Roman goddess of marriage and childbirth. And the month of June is still a popular month for weddings today! As a natural extension of marriage, Juno was also the goddess of childbirth. Another interpretation of the origins of “June” says that the name came from the Latin *juvenis*, “young people,” who were celebrated at this time.
- June’s full Moon, the full **Strawberry Moon**, occurs on Saturday, June 3. It reaches peak illumination at 11:43 P.M. (EDT) that morning.
- On June 21, after sunset, a gorgeous three-way conjunction of Venus, Mars, and the crescent Moon occurs.
- At the start of June, the sun rises in the constellation of Taurus; at the end of June, the sun rises in the constellation of Gemini. However, due to the precession of the equinoxes, June begins with the sun in the astrological sign of Gemini, and ends with the sun in the astrological sign of Cancer

What’s happening in June?

- **June 5** is **World Environment Day**-a day meant to raise environmental awareness across the globe.
- **June 18** is **Father’s Day** this year.
- **June 21** is the **summer solstice**, which heralds the start of summer in the Northern Hemisphere. It’s the day with the most hours of daylight. In the Southern Hemisphere, winter begins at this time.
- **June 21** is also **National Indigenous People Day**, recognizing the contributions of the many First Nations, Metis, and Inuit peoples.
